

Helping Our Partners Grow their Endowments

Our mission is to ensure that the Catholic community and its ministries have the financial resources to serve and make a difference in the lives of current and future generations.

Your endowment is critical to supporting your financial needs now and in the future.

We are here to help you grow your endowment and offer a number of tools in addition to our professional planned giving services. Many tools can be found on our website under "Resources."

Tools to Grow your Endowment
