\$1,855,500 Distributed to Catholic Churches, Ministries, Nonprofits, and Schools through Spring Grant Distributions

ATLANTA – The Catholic Foundation is pleased to announce that over \$1.8 million in designated grant distributions were sent to organizations through 240 grants during April. Two hundred seventy-six funds managed by the Foundation were eligible for distribution and organizations elected to receive grants from 205 of those funds. This brings the total to over \$2.1 million in designated grants awarded this year, supporting 103 organizations.

Designated grant distributions are grants made from an endowment fund that designates a particular beneficiary or beneficiaries in the fund agreement. These grants do not require an application and are awarded once a year.

These designated grants are the largest series of grants from the Catholic Foundation. In the 2022-2023 fiscal year, they accounted for 59% of the total grant dollars awarded.

The Paul and Melinda Krarup Endowment Fund granted its first set of distributions this year. It was established by Deacon Paul Krarup and funded by a beneficiary designation of his IRA. Melinda passed away in 2013 and Deacon Paul in 2022, but the organizations close to their hearts will receive an annual distribution forever thanks to their generosity. The following organizations received their first grants from this fund: Prince of Peace Catholic Church, Society of St. Vincent de Paul Conference at Prince of Peace Catholic Church, the Archbishop's Annual Appeal, Catholic Relief Services, Catholic Charities Atlanta, Amigos for Christ, and the Leukemia and Lymphoma Society Georgia Chapter.

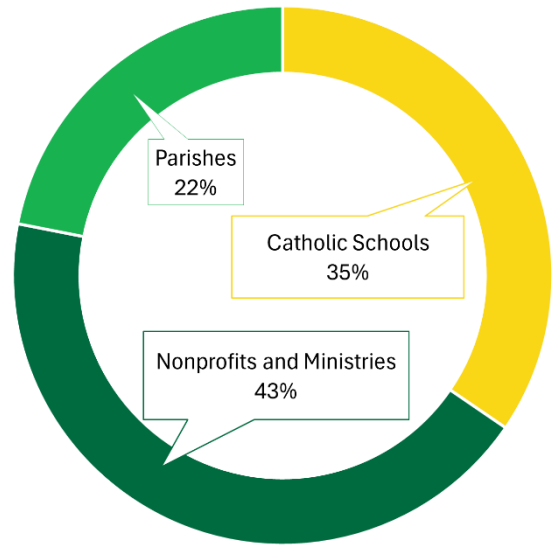

If you are interested in contributing to or starting an endowment fund to perpetually benefit a parish, mission, ministry, nonprofit, or school you care deeply about, please contact us.
